SA's Best Spa by Far...

Manufacturers, Installations,
Repairs & Maintenance

- Spas
- Jetted Baths
- Decking
- Pergolas
- Cladding
- Steam Rooms
- Saunas
- Swimming Pools

A group of people, including women and a man, are relaxing in a hot tub. They are holding glasses of red and orange beverages, suggesting a social gathering. The scene is set outdoors with trees in the background.

*Founded in 1983,
Superior Spa & Bath is a
proudly South African
manufacturer who together
with its trusted partners,
bring passion and purpose together*

VISION

To be South Africa's most respected brand in the wellness industry by providing a combined experience of lifestyle enhancement, home entertainment and family bonding, now and for future generations

MISSION

To supply top quality products with the right blend of performance, efficiency and value for money, and to nurture employees who are proud and self-driven so that we consistently deliver service excellence

SPA RANGE

Various models for each shape
Delux • Executive • Elite

All of our spas come standard as freestanding, portable units which can be easily installed indoors or outdoors, above ground or built into a deck or sunken in to the ground. Our tough and powerful range of Rhino Spas are built and engineered to last for years of economical and reliable service. All of our spas undergo strict quality controls & testing, so you can be rest assured that when you purchase a Superior Spa you are purchasing a pedigreed brand.

SA's Best Spa by Far...

RELAX & RECHARGE IN THE COMFORT OF YOUR OWN HOME!

Rhino Shells

Unique 10mm thick thermoplastic ABS shell with a smooth Acrylic capping makes this very durable (cannot crack or delaminate) and has excellent heat retention

Very Energy Efficient

Low electricity consumption – from unique Rhino shell & many heat insulating features.

Powerful Massage

Large number & large variety of special jets powered by High Performance Pumps.

Extreme Hygiene

Automatic Double Filtration, Ozone Generator & Patented Non-Return Valve Air Jets help to keep your water pure & hygienic.

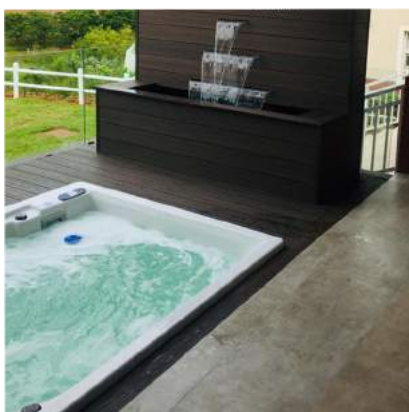

Lifestyle Enhancement

Ability to affordably keep your water warm and ready to use all the time.

WIFI enabled

Spa can be operated remotely.

DECKING

Professionally installed decking offers you an outdoor/indoor lifestyle, whilst adding style to your space. Relax and enjoy your experience knowing you are adding value to your property.

We will provide a schematic diagram of your proposed deck, without obligation, after initial consultation, to ensure we fulfill all of your individual needs and requirements.

Only superior quality materials are used to provide a safe, hard-wearing deck, pergola, steps and balustrades.

Only top quality materials are used.

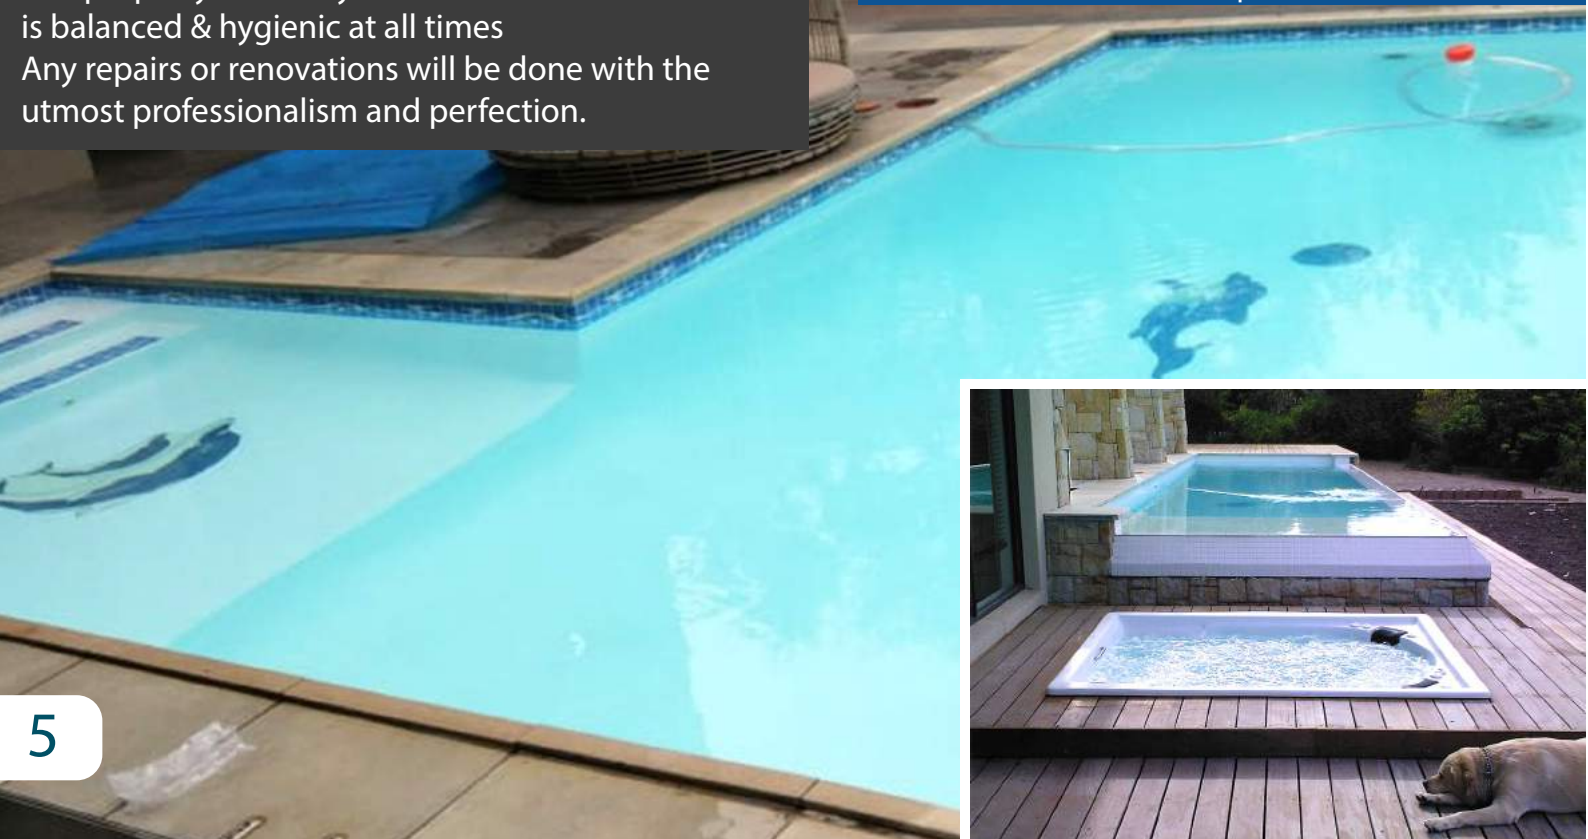

COMPOSITE DECKING | CLADDING | RAILING | INDOOR FLOORING
FENCING | FASTENERS | STRUCTURAL SYSTEMS

Our experienced team will maintain your pool all year round to ensure it is an asset to your lifestyle and property. We test your water to ensure the water is balanced & hygienic at all times
Any repairs or renovations will be done with the utmost professionalism and perfection.

SWIMMING POOLS

Pool Renovations, Pool Repairs & Pool Maintenance

SAUNAS

Enjoy the feel of a Traditional Sauna, customized to suit your individual needs & requirements. All our commissioned work is managed from start to finish for full turn-key product delivery, commissioning and hand-over to client. Our quality workmanship extends into our after sales service.

The Benefits of a Sauna

- ✓ Alleviating arthritis pain
- ✓ Lowering blood pressure
- ✓ Helping with respiratory disease – alleviating chest congestion
- ✓ Detoxification – sweat out toxins and activate the immune system
- ✓ Weight Loss – Speed up your metabolism
- ✓ Clearing up your complexion
- ✓ Relaxing way to ease the body and mind
- ✓ A hot sauna and a cold plunge along with massage can help the body eliminate carcinogenic toxins.

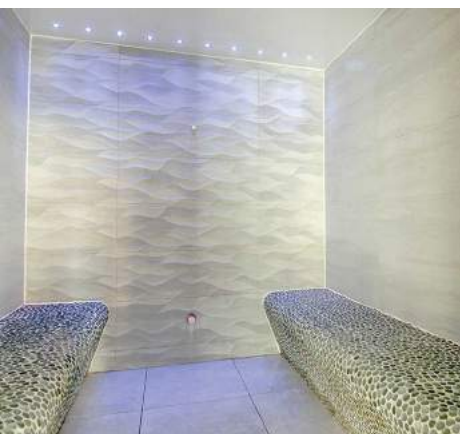

STEAM ROOMS

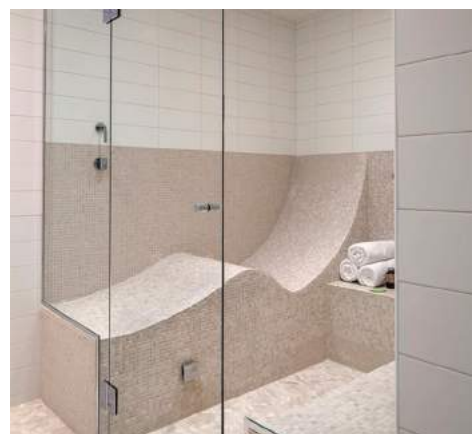

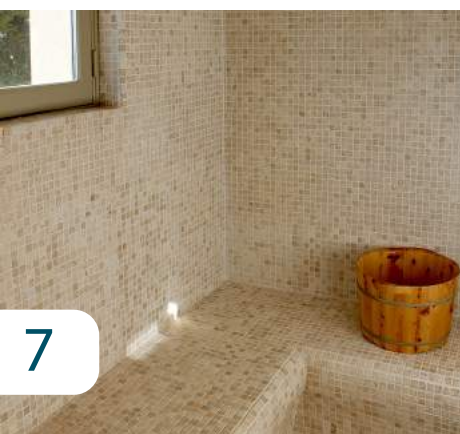

The benefits of steam baths have long been established since Roman times. With the latest technology you too can enjoy a relaxing steam shower in your own home/environment that will enhance your health & well being. Steam showers can be installed into an existing bathroom or autonomous steam shower rooms.

Health Benefits of Steam Rooms

Unlike the dry heat of a sauna, the steam shower provides a warm, moist atmosphere, which is known to improve certain medical ailments such as Asthma, Rheumatism, Bronchitis, Gout, muscle strains & blood circulation disorders.

Steam has a cleansing affect on skin by opening the pores & releasing toxins. After steam therapy the skin looks & feels smooth & soft, which promotes a healthy complexion.
